### EVERYBODY-TO-CHURCH

### SUNDAY IN PETERSBURG

Record-Breaking Congregations Are Expected to Throng Various Houses of Worship as Result of Campaign.

## HEAVY DAMAGE DONE BY STORM

### Two Negroes Are Arrested in Connection With Hold-Up and Shooting of Drug Clerk.

The Times-Dispatch Bureau, 8 Bollingbrook Street, Petersburg, Va., May 30.

To-morrow will be observed in Petersburg as "Everybody to Church" Sunday, and from the efforts that have been made during the past two weeks to bring the matter before and close to the public, it is expected that the attendance at all the churches in the city to-morrow will be very large. Appeals have been made from the pulpits, through the press, by postal card and letter and by personal interview, and as far as known none have been overlooked. The request is for attendance at at least one of the day's services.

**Damage by Storm.**  
Additional advice have been received of damages by the storm of Thursday afternoon in this section, which seems to have been very severe in parts. At Disputanta the residence of A. N. Cox was struck by lightning and damaged to a considerable extent. The barn of Edward Belcher, in Prince George, was also struck by lightning, and with it a large quantity of hay and feed, entailing a loss estimated at \$1,000. There was an insurance on the property of \$300.

**New Sunday School Building.**  
Arrangements have been made by the congregation of the Second Presbyterian Church for the erection of a large addition to the church for the accommodation of the large and growing Sunday school, and for social and business meetings. Plans and specifications for the building, which will cost about \$5,000, have been prepared by Architect S. D. Craig, and bids for the work will be invited in a few days. Twenty classrooms will be provided, arranged in a double tier, with rolling partitions so that they can be thrown into an auditorium when needed. The school has now an enrollment of 250.

**Annual Class Night.**  
Annual class night exercises of the Petersburg Hospital's training school for nurses were held last night, and the occasion was one of very pleasant and enjoyable character. Several of the alumnae of the school were present. To-morrow night at the Tabernacle Presbyterian Church the baccalaureate sermon before the graduating class will be preached by the Rev. Charles R. Stribling. On Tuesday evening in the auditorium of the Duncan Brown Public School, the closing exercises of the school will be held and diplomas will be presented to six young women graduates. The address will be delivered by Dr. J. Bolling Jones.

**Recount of First Ward Vote.**  
The Democratic City Committee met last night and recounted the vote cast for the councilman's ticket in the First Ward at the municipal primary on May 14. The recount was made at the request of Councilman J. M. Saunders, who was defeated for re-nomination in a very close vote. The recount showed a gain of one vote for Mr. Saunders, and a loss of one vote for each of the two successful candidates. The return as made by the judges on the evening of election day was upheld by the committee, and J. B. Jones and B. N. Keys were declared the nominees for the Council in First Ward. The vote was announced as follows: Jones, 142; Keys, 93; J. M. Saunders, 91; M. P. Barker, 91; F. N. Warner, 29.

**Two Arrest Made.**  
W. G. Peterson, clerk at the uptown drug store of Robert N. Partin, who was shot late last night by one of two negroes who had robbed the store of \$25, is getting along comfortably in the hospital to-day. Three bullets from the negro's pistol passed entirely through Mr. Peterson's leg without injuring the bone.  
The police, in scouring the county adjacent to Petersburg this afternoon, arrested two strange negroes on suspicion of being the robbers, and brought them to the city. They gave their names as McDowell and Towner. They were found asleep in the woods in Dinwiddie near the canal locks, but no weapon or money was found on them. They, of course, deny knowledge of the robbery and shooting, but they were brought to the city and will be held until Mr. Peterson is in condition to see and, if possible, identify them. It is known that the negroes, after their crime, fled in the direction of Dinwiddie.  
The negroes were taken to the hospital and there identified by Peterson.

as the man who robbed the drug store and shot Peterson. Peterson was positive in his identification of Pyner, the taller of the negroes, as he saw him with the pistol before the shot him. Several other parties have also identified the two negroes as the two men they saw standing in the vicinity of the drug store a short time before the robbery and shooting occurred.

**Death of Mrs. Proctor.**  
Mrs. Mary C. Proctor, wife of John T. Proctor, died last night at her home, on Shepard Street, after an illness of some weeks. She was fifty-one years old, and leaves many staunch friends. Besides her husband she is survived by three sons and two daughters—John, James and Miss Mary, of Petersburg; Mrs. Estelle Brooks, of Dinwiddie, and Joseph Proctor, of San Francisco.

**General News Notes.**  
Arthur B. Wood, Jr., of this city, called for England this week to visit relatives and friends. He will be absent several months.  
Mr. and Mrs. Ernest Wilkerson, of Richmond, are visiting their parents in Price George.  
Edward Akers, son of B. D. Akers, of this city, is visiting relatives and friends here. Mr. Akers is a member of Company E, Fifteenth Infantry, United States Army, now in the Philippines, and is on General Bell's staff. He will re-enlist for three years when his present term expires in the fall.  
A large delegation of Petersburg Knights of Columbus will go to Richmond to-morrow to witness the exemplification of the major degree of the order on about seventy-five candidates.  
Prince George Chapter, United Daughters of the Confederacy, met at the county courthouse yesterday afternoon. The attendance was good, and much important work was done. The chapter is raising a fund for the erection of a Confederate monument at the courthouse.

## The new treatment for tender skins

Many people with tender skins have been misled by the superstition that washing the face with soap and water is bad for the complexion.

"Dr. Pusey in his book on the care of the skin says: 'The layer of dirt and fat that such persons accumulate on the skin is a poor substitute for a clean, clear skin and is a constant invitation to various disorders.'"

The following treatment with Woodbury's Facial Soap is just what a tender skin needs to keep it attractive and resistant.

### See what a difference it will make in your skin

Just before retiring, dip a soft washcloth in warm water and hold it to the face. Do this several times. Then make a light warm water lather of Woodbury's and dip your cloth up and down in lathered cloth gently over your skin until the pores are opened and thoroughly cleaned. Rinse the face lightly with clear, cool water and dry carefully.

Use this treatment persistently for ten days and your skin will show a marked improvement—a promise of that loveliness which the steady use of Woodbury's brings to a tender, sensitive skin. Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake.

Do this today—Now! Tear out the illustration of the cake below and put it in your purse as a reminder to get Woodbury's. Tear out the cake now. Take it to your druggist or toilet counter today. Begin tonight to get the benefits of this facial soap. For sale by dealers everywhere.
